

# 2nd Interdisciplinary Conference of the DAAD-funded Global Centres for Climate and Environment and Health and Pandemic Prevention

Global Actions for Sustainable Health for People and Planet / Imaginaries of Climate Futures: Cross Regional Insights to get from Knowledge to Action

10–12 of September 2024, Berlin (Tagungswerk, Lindenstraße 85), Germany

Tuesday, 10 September					Wednesday, 11 September					Thursday, 12 September														
08:30	Registration		Saal Gesamt		08:30	Saal Gesamt				08:30	Saal Nord													
08:45					08:45										08:45									
09:00	Opening Words				09:00					Policy Dialogue with the Global Centres (Health & Climate):					09:00	Individual Presentations:		Individual Presentations:		Round Table: Young scientists in the Global South - What are their career needs and how can they contribute to strengthening the global centres?  Saal Nord				
09:15	Round Table: Imaginaries of Climate Futures around the world. Perspectives from the different Global Centres				09:15					Welcome Words (AA, DAAD)					09:15	Sustainable agri-culture (agroecology, biological agriculture, nature-based solutions) 2		Transformation of coastal urban areas to climate resilient cities  Seminar 4						
09:30					09:30										09:30									
09:45					09:45										09:45									
10:00			10:00	10:00																				
10:15			10:15					10:15																
10:30	Coffee Break (2 <sup>nd</sup> floor)		Registration		10:30	Coffee Break				10:30	Seminar 2													
10:45					10:45					10:45	Coffee Break													
11:00	Individual Presentations: Balancing the three pillars of sustainability  Seminar 2	Individual Presentations: Managing water security (in quantity and quality)  Seminar 4	Opening Words Round Table: SDGs and a Global South-South-Partnership  Saal Gesamt		11:00	Round Table: Realizing Climate Futures: How to close the gap between knowledge and action  Saal Nord		Round Table: Strengthening Synergies in Germany-funded Global Health Initiatives  Saal Süd		11:00	Workshop: Reifying Resilience: translocal learnings from coastal/ delta cities of South & South-East Asia (30 PAX)  Seminar 5	Workshop: Imaginaries of in-side-out place making (...) (30 PAX)  Seminar 3	Individual Presentations: Water security and balancing the three pillars of sustainability  Saal Süd	Individual Presentations: Diagnostics, Monitoring, Treatment, Vaccination & Infection Control including AMR 3  Seminar 2	Individual Presentations: Community Engagement, Ethics and Social Sciences  Seminar 4									
11:15					11:15					11:15														
11:30					11:30					11:30														
11:45					11:45					11:45														
12:00					12:00					12:00														
12:15					12:15					12:15														
12:30	Lunch Break		Lunch Break		12:30	Joint group photo				12:30														
12:45									12:45															
13:00									13:00															
13:15									13:15															
13:30									13:30															
13:45									13:45															
14:00	Round Table: Upscaling Nature-based Solutions for Sustainable Agriculture  Seminar 2	Round Table: Key challenges & opportunities for citizen participation in just transition processes  Saal Süd	Round Table: Better data for pandemic prevention and control: the role of digital surveillance  Seminar 3	Round Table: Strengthening One Health Thinking and Infectious Disease Research in Latin America and Germany  Saal Nord	14:00	Round Table: Towards Trans-boundary Climate Risks Mitigation (...)  Seminar 3	Round Table: Perspectives on pathogen spillover & pandemic prep.  Saal Süd	Round Table: Nexus Approach: Bridging Water, Climate Adaptation, and Health in the Face of Infectious Diseases  Saal Nord	Round Table: Unveiling the future climate change-induced heat stress effects on human health  Seminar 2	14:00	Closing Session  Saal Süd		Closing Session  Saal Nord											
14:15					14:15					14:15														
14:30					14:30					14:30														
14:45					14:45					14:45														
15:00	Coffee Break		Coffee Break (2 <sup>nd</sup> floor)		15:00	Coffee Break				15:00	Coffee Break, End of the Conference													
15:15					15:15	Coffee Break				15:15														
15:30					15:30	Individual Presentations: Energy transitions (Sustainable post-mining futures & democratisation of energy production)  Seminar 3	Individual Presentations: Sustainable agriculture (agroecology, biological agriculture, nature-based solutions) 1  Saal Süd	Postersession (Digital Health, Community Eng./ Ethics/ Soc.Sciences and Diagnostics/ Monitoring/ Treatment/ AMR)  Seminar 4		15:30	PhD Seminar 1: Science communication - how and why? (PhDs of the Global Centres only)  Seminar 3	PhD Seminar 2: Scientific Writing (PhDs of the Global Centres only)  Seminar 5	Project Team Meeting (Health Centres only)  Seminar 2	Project Team Meeting (Climate Centres only)  Seminar 4										
15:45	Round Table: Advancing Water Security in a Changing Climate: Higher Education and Transfer Measures in the Global South  Seminar 2	Round Table: Collaborative Knowledge Production for Effective, Just and Inclusive Environmental Interventions  Saal Süd	Postersession (Biosafety/Biosecurity and Epidemiology/Surveillance)  Seminar 4		15:45										15:45									
16:00					16:00					16:00														
16:15					16:15					16:15														
16:30					16:30	16:30																		
16:45			Coffee Break (2 <sup>nd</sup> floor)		16:45					16:45														
17:00			Individual Presentations: Diagnostics, Monitoring, Treatment, Vaccination and Infection Control including AMR 1  Seminar 3	Individual Presentations: Epidemiology and Surveillance and Zoonotic Diseases 1  Saal Nord	17:00	Individual Presentations: Diagnostics, Monitoring, Treatment, Vaccination & Infection Control including AMR 2  Saal Nord				17:00														
17:15					17:15																			
17:30					17:30																			
17:45					17:45																			
18:00					18:00																			
						Drinks and Reception
